MYKONOS THE ISLAND OF WINDS

Known worldwide for its elegant style, wonderful landscapes and amazing beaches, Mykonos invites you to spend your special moments full of action and adventure. Mykonos is one of the few parts of the world that have a name that needs no further identification, and this makes it even more authentic.

On one hand its cobbled streets, picturesque neighborhoods, widely photographed windmills, and enchanting sunsets. On the other, it's cosmopolitan air and the arrivals of the international jet set, which ranks Mykonos amongst the "must-visit" summer destinations.

KENSHO ORNOS NEIGHBORHOODS
