**Hôtel Le Grand Mazarin:** The newest addition to the neighborhood, [Maisons Pariente](#) (behind luxe locales like [Hôtel Crillon le Brave Provence](#) and [Le Coucou Méribel](#)) worked with Swedish designer Martin Brudnizki on the fantastical décor inspired by the idea of an old-fashioned salon. In the 61 rooms, canopied beds with storybook-like scenes feel as if you're sleeping in your very own fairytale. The over-the-top design matches the five-star service — everything you need can be taken care of by butlers (and this includes beauty products that can be delivered within 30 minutes from nearby partner shop Oh My Cream).
